

# Salina Home and Leisure Show 2012

## Call for stage presentations

New to the 33<sup>rd</sup> annual Salina Home and Leisure Show will be continuously running stage presentations. This, along with some other changes, is intended to bring a new spark to the home show. The presentations specifically will give you an opportunity to educate the public about your industry, product, or service. Presentations will be 15-20 minutes with a 10 minute break between each for setup. Presentations are intended to be educational in nature (not sales oriented). See the map for stage location.

Each presentation will require sponsorship of \$50. (You can sponsor your own presentation or a sponsor will be found for your presentation). Sponsors will have a poster beside the stage during the presentation and sponsor will be announced over the intercom when the presentation is announced.
